

# People United Foundation — RFP / Procurement Boilerplate (v1.0.0)

## **Organization summary**

People United Foundation provides ethics-first training programs in Workforce Readiness, Leadership, Governance, and Community & Economic Development.

## **Privacy-first design**

PUF does not require participant accounts (v1) and does not conduct surveillance or individual tracking. PUF does not use behavioral scoring, profiling, or prediction. Reporting is aggregate and community-level, with no personal identifiers.

## **Impact reporting (aggregate)**

Aggregate participation totals, delivery milestones, program scope, and community-level outcome themes.

## **Procurement / payment**

Invoice/PO workflows supported. Payment methods may include ACH or check, per procurement requirements.
