Sponsor / Funder One-Pager

Enterprise training + sponsored cohorts that are procurement-friendly and privacy-first.

What sponsors fund

- Sponsored cohorts (20-50+ participants) across Workforce, Leadership, Governance, and Community & Economic Development
- Governance seats and bundles for boards and civic leaders
- Enterprise procurement for institutions (invoice/PO supported)

Why PUF is procurement-ready

- No accounts required (v1); no surveillance or individual tracking
- Aggregate-only impact reporting (community-level)
- Clear documentation: partner packet, procurement checklist, boilerplate language, funding alignment

Common sponsorship packages

Package	Best for	Typical use
Cohort (Basic/Standard/Premium)	Fast launch	Sponsor a cohort with toolkit + aggregate reporting
Governance seat / bundle	Boards & leaders	Sponsor governance training for civic capacity
Enterprise & procurement	Institutions	Invoice/PO workflows + optional train-the-trainer

> "Sponsor support removes barriers. Participants can focus on learning and applying skills immediately."
